FEBRUARY 2010

Looking for something to do on these cold and snowy days? Come to the 59th Annual HBA Home & Garden Show. This year's show is being held February 26th-28th at Mr. Anthony's on South Avenue in Boardman. Come visit us in Booth #40 - we hope to see you there!

Below are some home maintenance tips:

- Put water in floor drains to maintain the trap's water barrier.
- GFCI (ground-fault circuit interrupters) are circuit breakers with "test" and "reset" buttons that are in bathrooms, kitchens, and the garage. These should be tested occasionally.
- Examine windows and doors for ice accumulation or cold air leaks. If found, make a note to repair or replace in the spring.

We recently finished the new home we were building in Beaver Township and this month we will be breaking ground for a new home for owners in Girard. Remodeling projects are also keeping us busy; we are working on an addition in Struthers and remodeling projects in Boardman and Lowellville.

Recently we completed Reinthaler's Auto Village, a brand new facility for Joe and Linda Reinthaler. Reinthaler's Auto Village is located on the west side

of Canfield on Rt. 224. Joe & Linda are in the business of selling used cars and also do oil changes and car detailing. Stop in - they would love doing business with you.

Recently Sam attended the National Association of Home Builders' convention in Las Vegas. Sam regularly attends the convention and the hot topic for 2010 is accessibility in your existing or new home; so you may grow with your home to enjoy it for a lifetime.

Sam Pitzulo Homes is celebrating our 20th anniversary in business. We are proud of our success and would like to thank our customers, suppliers, and friends for their support.

When the snow flies, we love to work indoors. Gain additional room in your home by turning the unused space in your basement into comfortable living space. Call now for winter pricing on basement remodeling.

If you're thinking of a remodeling project or maybe you're considering adding on to your home, call us for a free estimate.
